CHIEF SECRETARIAT
19 MAR 1932

TO N. Madhava Rao, Esq., B. A., B. L.,
Chief Secretary to the Government of Mysore

SIR,

I have the honour to invite attention to Government order No.G.2318-19/Census 8-31-2 dated the 14th September 1931 revising the budget of this department for the current year and to state that in view of the present state of the work of the department, the following modifications therein are necessary.

1. I expected early in the year to finish the writing of the report by the end of this month and to be able to supervise from outside the printing and other work that might remain to be done - leaving an Assistant in direct charge in the department. The report is nearly ready in draft but needs to be checked and revised. Information for several sections comparing conditions in the State and elsewhere is due from other Provinces. Certain enquiries regarding jungle-tribes which the Census Commissioner for India desires to be carried out still remain to be made. I have therefore to continue in the Department till towards the end of the year. The provision already made under the head salaries will thus be a little short and an addition will be necessary.

2. The idea so far has been that the Taluk and Village Tables would be printed after the Imperial Tables and the reports have been disposed of. The Press is however able to deal with them now without prejudice to the printing of the Tables and Report Volumes. I have therefore arranged with the Press for printing off the Taluk and Village Tables also as far as possible this year. The piece-work establishment of 12 Compile

12 Compilers and three Supervisors now retained may thus have to go on till the end of the year. About Rs. 500/- more will be required for their pay for this period.

3, Payments made to the Press so far are a little less than Rs. 2,100/-. About Rs. 2.500/- may be required for purchase of Paper and other material and the printing work that can be done before the close of the year may involve payments to the extent of about Rs. 4,000/-. So of the provision of Rs. 31,000/- now standing under the head " Printing and Stationery " only about Rs. 9,000/- is likely to be required before the end of the year. The balance after the small reappropriations required for purposes referred to earlier in this letter will therefore not be required by this department.

I therefore request that sanction of Government may be obtained to the reappropriation from the provision under " Printing and Stationery " of a sum of Rs. 1,500/- to the head " Salaries and of another sum of Rs. 500/- to the head " Piece-Work Establishment " A sum of Rs. 20,000/- out of the provision remaining under " Printing and Stationery " may be withdrawn by Government.

I have the honour to be,

Sir

Your most obedient servant,

M. Venkatesachar

Census Superintendent.
